### School Banking

We have made the decision to offer school banking again to all our families with Hume Bank. Banking day will be on Wednesday and there are incentives for the students to be awarded small prizes on the number of deposits they make each term.

We hope that our families take up this opportunity to teach your children about money and the importance of saving.

To open a Junior Saver Club account for your child with Hume Bank, just pick up an application pack from the school foyer or contact the school office and we can send a pack home with your child. Once the application form is filled out, it is returned to the school and we will pass it on the Hume Bank for processing—it's that easy. Once the application is processed by the bank, they will supply your child with a banking pack that includes all they need to make their first deposit.

## **St Vincent de Paul Society Christmas Appeal**

This year we are asking families to help support the St Vincent de Paul Society's Christmas Appeal by donating a gift that would be suitable for a child. Gifts can be brought into the classroom between 23rd November and Thursday 14th December.
