A Reminder to Parents

It has been noticed that some children are arriving at school early some mornings. Please note, the school gate opens at 8:15am each morning and children should not be left unattended before then. On Tuesday mornings, band practice takes place for some students at 7:45am.

Siblings are not to accompany them as there is no supervision at that time and it is a time for the gardener to blow off dust and leaves from the concrete areas.

Thank you for your cooperation in this matter.
